Possible information leaflet on housing in Applecross: a draft copy will be circulated amongst community council members and it will be discussed at the next meeting.

Proposed inner deer fence: ways of funding this out with the Estate long-term forest plan are to be investigated.

Any other business

Proposed Marine and Coastal National Park: a public meeting has been organised by the Wester Ross Alliance in Lochcarron on 20th January to discuss this issue. A member of the community council will attend.

Road Repairs: are to be carried out between the Post Office and the 'White Gate' and approaching the Creag Darroch.

Public Toilets: the cost of installing lighting is to be investigated.

The community council 'process': it was suggested that when discussing 'emotive' subjects, using more formal language would help to identify the core issues; allowing individuals views to be expressed, but then be discussed, in an appropriate manner.
